(S) PolMilOff made reftel demarche to the Dutch MFA Office of Nuclear and Nonproliferation Affairs on April 15 and subsequently raised the issue with that office on April 20, 23 and May 18. While MFA interlocutors have stated that the Dutch intelligence service, AIVD, has had the lead on this issue for the GONL, and that they preferred to address this issue in ROAL channels, they have provided a formal response to questions raised ref A in the form of a Note Verbale dated May 19, 2004. This has been conveyed to Department NP/RA via ref B. The GONL has expressed its willingness to keep us apprised of any future such occurrences.
